Alexandria, VA 22313-1450

Sir:

Claims 1–9 and 12–18 are pending in this application. In reply to the September 17, 2008 Office Action, reconsideration of the rejection is respectfully requested in light of the following remarks.

The Office Action rejects claims 1–9 and 12–18 on the grounds of non-statutory obviousness-type double patenting over claims 1–3 of U.S. Patent No. 7,402,220. The rejection is obviated by the attached Terminal Disclaimer. Applicants respectfully request withdrawal of the above rejection.

In view of the foregoing, it is respectfully submitted that this application is in condition for allowance. Favorable reconsideration and prompt allowance of the claims are earnestly solicited.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,
